What can you do with the Parent Portal?

- Access your student's assignments including their daily and six weeks grades at any time.
- View progress reports and report cards throughout the school year. **Most campuses will not send these reports home. They will be posted in the Parent Portal instead (Calendar listed below.)** Please check your student's progress regularly.
- Access your student's attendance at any time including absences – school related, medical, excused, and unexcused absences as well as tardies.
- Access your student's immunizations records.
- You can set up alerts via text message or email for attendance, tardies, assignment grades, six weeks grades, etc. You get to set the parameters you want!
 - To set alerts, click on "Alerts".
 - Click on "Set Alerts" and then complete the notification type, attendance alter information, class average alerts, and assignment grade alerts.

Registration: After you have fully completed online registration, you will need to link your student's account to your parent portal account. You will receive a "ParentPortal ID" from the campus for each of your students.

- Using the QR Code or website link above, log back in to your parent portal account.
- Click "Link an Enrolled Student"
- Enter the Parent Portal ID and the student's date of birth, MM/DD/YYYY
- Click "Add"
